

So Much More.

CAPITAL MARKETS GROUP

CFG Bank, privately owned and headquartered in Baltimore, Maryland, proudly delivers big bank capabilities with boutique bank care.

Our commercial bank has a specialized healthcare and multifamily banking division with a national footprint, a deeply experienced capital markets team and vast equipment finance expertise.

Senior management and board members include accomplished large bank and private equity finance professionals, providing us with a comprehensive understanding of efficient and effective niche financing and leveraged lending.

We understand what drives market-facing underwriting, deal structure and constructive ongoing relationships.
